

## **MARCCUS PARTNERS**

### **A NEW EUROPEAN LAW FIRM**

**MARCCUS PARTNERS** has been established by four leading European business and tax law firms with offices in Germany, France, Italy and Spain. Their aim was to create an integrated structure that meets its clients' needs with respect to complex transactions, not least in cross border contexts.

**MARCCUS PARTNERS** focus is on Mergers & Acquisitions, Tax, Real Estate, Banking & Finance and Restructuring. Over 100 lawyers plus 30 tax advisors provide their services in multi-disciplinary teams covering numerous jurisdictions, languages and cultures. **MARCCUS PARTNERS** is co-managed by Antonio Bover and Bernd Sagasser.

The firm's current clients are mainly active in the following sectors: banking, insurance, real estate, telecommunication, energy and automotive. They are either listed multinationals, large family-owned businesses or investment funds.

**MARCCUS PARTNERS** has been established through a combination of

Hemmelrath & Partner (Germany)  
François, Sagasser & Associés (France)  
Albertazzi & Associati (Italy)  
Mazars y Asociados (Spain)

all of which practise a multidisciplinary approach. The merger of these firms has been initiated by Mazars.

## **EUROPE**

**MARCCUS PARTNERS** with offices in Barcelona, Dusseldorf, Frankfurt, Madrid, Milan, Munich and Paris is positioning itself as a European firm. A network of independent law firms throughout the world enables **MARCCUS PARTNERS** to handle all transactions on an international level.

## **TRANSACTIONS**

*"We follow our clients who consolidate their positions throughout Europe and who establish themselves on a global level. Based on our transactional experience, in particular in mergers & acquisitions and real estate, we secure their investments internationally "* explains Bernd Sagasser.

## **MULTIDISCIPLINARY**

*"We currently experience a phase of accelerated harmonisation of legal and tax systems in Europe which the companies find difficult to follow whilst at the same time they try to expand internationally. It is our role to assist our clients in managing this entrepreneurial challenge."* continues Antonio Bover.

**MARCCUS PARTNERS is working closely with Mazars, an international Group of accountancy and tax advisory, present in 42 countries.**
