Winner:  **Marccus Partners**

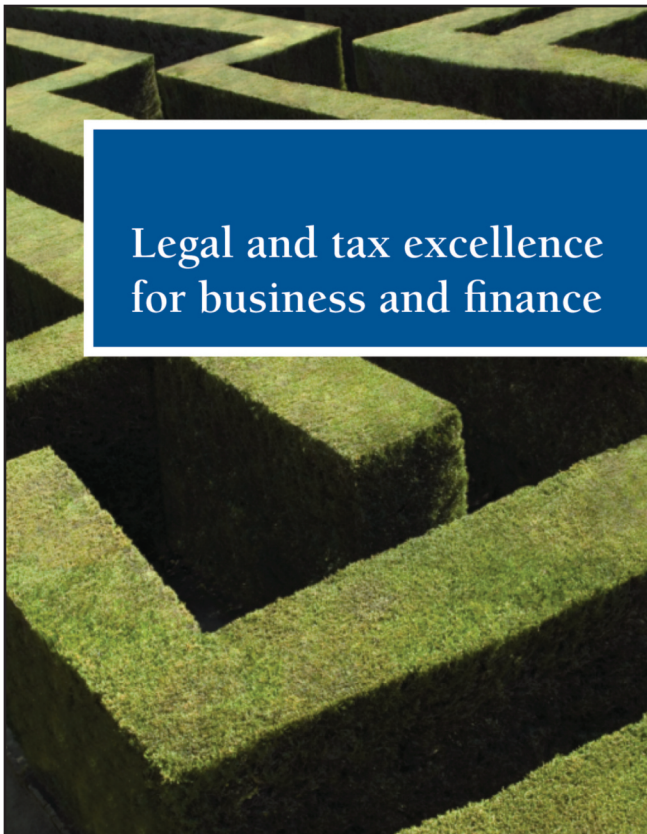

Marccus Partners is a premier European law firm with a clear transactional focus. It provides its clients with innovative structures and practical solutions. The firm's main practice areas are: Corporate/M&A, Banking & Finance, Restructuring, Real Estate, Labour, Tax and Litigation.

Marccus Partners is a specialist in structuring and implementing cross-border transactions throughout Europe. The firm has offices in France, Germany, Italy, Spain, The Netherlands and Romania and enables its clients to draw on additional resources from a network of excellence in the major business and finance centres around the world. Marccus Partners is a member of Mazars with a presence in 50 countries.

Corporate work and M&A transactions are the core business of Marccus Partners, in particular in cross-border contexts. Such transactions have become more and more complex over the years. Therefore, the firm provides tailor made solutions by highly specialised teams

comprising internationally renowned, multilingual lawyers often being dual or even triple qualified in several jurisdictions. All partners of Marccus Partners have previously practiced in large international firms (mainly UK "magic circle" and US "white shoe") and now opted to join a M&A boutique with a hands on approach. The depth and wealth of experience and exposure of their lawyers allows Marccus Partners to attract high profile clients with landmark deals such as, for example in 2008/09, advising NYSE Euronext on the establishment of the Qatar Securities Market. **ACQ**
